

# BADGERCARE+ CORE PLAN

## WAITLIST

Enrollment in the BadgerCare Plus Core Plan was suspended as of 12:00 P.M. (noon) on October 9, 2009. We will no longer be enrolling new members in the Core Plan as of this date and time, because the number of applications we received is greater than the number of slots available. A BadgerCare Plus Core Plan waitlist has been created. If you are on the waitlist, you will be able to enroll as space becomes available.

**You can still apply for the FoodShare and Family Planning Waiver programs at [access.wi.gov](http://access.wi.gov) and we encourage you to apply for these programs.**

To add your name to the waitlist, go to [ACCESS.wi.gov](http://ACCESS.wi.gov) and click on "Apply for Benefits. We will ask you to answer some questions to see if you meet the rules for the Core Plan before putting you on the waitlist. **You will not be asked to pay the \$60 application fee until you are able to enroll in the Core Plan.**

If your name is on the Core Plan waitlist, we will let you know when there is an opening. While you are on the waitlist, you should let us know if your contact information (address and phone number) changes so that we can reach you when there is an opening in the Core Plan.

If your name is added to the waitlist, please contact the Enrollment Services Center at 1-800-291-2002, if you:

- Become disabled,
- Turn age 65,
- Move out of Wisconsin,
- Become eligible for Medicare or Medicaid,
- Obtain health insurance,
- Start a job that offers health insurance coverage, or
- Have a related child under age 19 move into your home.

If any of the above changes, you may be able to enroll in another health care plan that does not have a waitlist.

Please Note: If you want to have your name added to the waitlist or to apply for FoodShare or the Family Planning Waiver by phone, call the Enrollment Services Center at 1-800-291-2002.
